WE'LL MAKE IT RIGHT

We get the right candidate providing the right services to the right client at the right time.

WHAT WE OFFER

Jaspen is more than just a staffing group, we are your staffing service resource, offering workforce staffing solutions to local Indiana businesses. Jaspen services cover many industries. We have extensive in-house staffing experience with general labor, general warehousing jobs, clerical work, material handler, order fulfillment jobs.

TIME IS OF THE ESSENCE

We value your time! Our staff will notify you the same business day on the status of your inquiry. When looking to match the right employee to your specific need, our team will help make that vital connection to ensure that your business is successful.

LOOKING FOR A NEEDLE IN THE HAYSTACK?

One of our executive recruiters will address your needs by asking for specific job assignments and find the right associate for your assignment. Our overall business success is contingent on your success!

Criminal Background Check

We background check each candidate protecting you against potential liabilities of negligent hiring.

E-Verify

Employment eligibility is verified through the federal employment database.

Additional Verification

We can provide educational verification, credit checks, DMV checks, and more; all FCRA compliant.

Drug Testing

We can provide workers who have passed a pre-employment drug screen prior to the start of their assignment.
